The screenshot displays a mobile navigation application interface. On the left, a blue sidebar contains the following elements: a menu icon, a search bar with the starting point 'Moura, Queensland 4718' and the destination 'CRACOW HOTEL, 3 Third Ave & Tenth A', an 'Add destination' button, an 'OPTIONS' button, a 'Send directions to your phone' button, and a summary of the route: 'via Theodore Moura Rd and State Route 73', '5 h 1 min', '98.9 km', and elevation changes of '↑ 409 m · ↓ 215 m'. Below the summary is a small elevation profile graph and a 'DETAILS' link.

The main map area shows a 3D topographic view of the region. A blue line indicates the cycling route, starting at Moura and ending at Cracow Hotel. The route passes through or near several locations: Oombabeer, Rhydding, Coorada, Ghinghinda, Gwambegwine, Isla The Gorge, and Glenmoral. It also traverses Theodore State Forest, Isla Gorge National Park, Belmont State Forest, and Camboon State Forest. Major roads shown include State Route 60 and State Route 73. A legend in the bottom right corner of the map area includes: Trails (green line), Dedicated lanes (green line with white center), Bicycle-friendly roads (dotted line), Dirt/unpaved trails (dashed line), and Terrain (blue line). There are also toggle switches for 'Bicycle-friendly roads' and 'Terrain', both of which are currently turned on.
